

# TECHSAUCE GLOBAL SUMMIT 2022

OPPORTUNITIES MADE POSSIBLE

*26-27 August 2022*

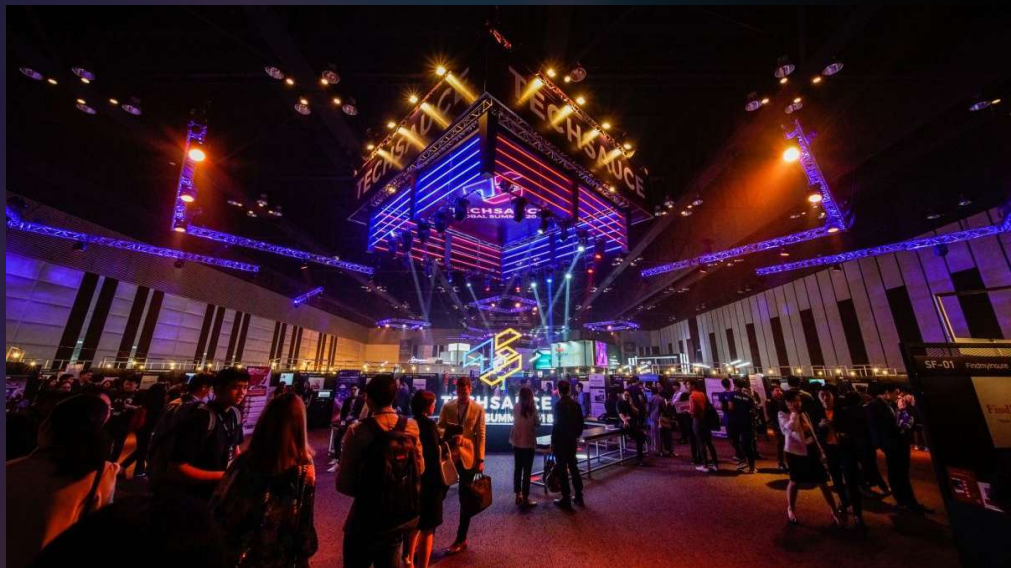

*The ICONSIAM, Bangkok, Thailand*

# TECHSAUCE GLOBAL SUMMIT 2022

OPPORTUNITIES MADE POSSIBLE

**26-27 August 2022**  
**Bangkok, Thailand**

***Since 2015 #TSGS is the largest tech conference in southeast asia  
and the destination of innovation and creativity that you shouldn't miss.***

#TSGS brings the best of the best from the industry in one space to discuss future nurturers and development of business technologies. Join force with the ecosystem including startups, VC, angel investors, enterprises, accelerators, and policy makers from around the world in unique experiences at the most iconic venue by river in Bangkok, Thailand.

# **THE DESTINATION OF INNOVATION AND CREATIVITY**

*That you shouldn't miss this year*

# TECHSAUCE GLOBAL SUMMIT

The first global startup summit of the region created by Techsauce, the leading tech knowledge sharing platform in SEA. From 100 attendees as domestic conference in 2012, until now, Techsauce Global Summit attracted over 15,000 people as the destination of global startups, venture capitalists, angel investors, large corporations, and tech enthusiast from around the world.

Gain insight, different perspectives, connect and enjoy this immensely eye-opening collaborative and cohesive conference, bringing the best of the best from the industry in one space to discuss future nurturers and development of business technologies.

“

*This is a must come event for those who want to be a part of the network of **Asia's top startups, entrepreneurs and tech insiders.** Techsauce Summit is where you need to be.*

**Chatri Sityodtong** | CHAIRMAN AND CEO OF ONE CHAMPIONSHIP

*Techsauce has been fantastic this year. There is so much energy. What I really love about the Techsauce Summit compared to the US is that there is so much youth here. **Young people here are actually invested in what will happen the future.***

**Brett King** | FOUNDER AND EXECUTIVE CHAIRMAN OF MOVEN
